Dear Colonel Carnegie:

I have to thank you for the address which you delivered recently at the Canadian Mining Institute. I have not yet had time to read it but I am sure that it will be very suggestive and if you send me some copies I shall be glad to distribute them among our staff.

Colonel Carnegie,

Imperial Munitions Board,

Ottawa, Ont.

Dear Colonel Carnegie:

I have to thank you very much for the copy of "Some Problems of Modern Industry" by Mr. Hitchens. Sir Joseph Flavelle was kind enough to send us one about two months ago, and at that time I read the address with great appreciation. If the same spirit prevailed far and wide a healthy change would soon come.

With kind regards, I am,

Yours sincerely,

President.
